I-10 NEAR CABAZON PROJECT

VERBENIA ON/OFF RAMPS CLOSED (3 DAYS)

CABAZON – The California Department of Transportation (Caltrans) will continue to perform work along I-10 between Fields Road and the I-10/111 Junction, near Cabazon. As a result of this work the Verbenia on and off-ramps on the westbound I-10 will close beginning today, August 23, 2004 for three days. The ramps are expected to reopen Thursday, August 26, 2004.

Work will take place to relocate the Verbenia off-ramp sign and to replace the existing crash cushions with new reacting, reusable crash cushions.

Always carry extra water when traveling in the desert. Caltrans thanks motorists for their patience and cooperation during this project, and reminds everyone to **SLOW FOR THE CONE ZONE**.
